

Prep for Club Rush!

Hey Unis! When September began to roll in, all clubs around West Ranch began scrambling to make final preparations for club rush.

Our officer board has decided to divide and conquer tasks to make our booth the best there is. Our president, Sana Meher, and vice presidents, Alyssa Chang and Josh Kim, are each leading a part of this collaborative project.

Vice pres, Josh Kim worked with Jasmine Wongphatarakul (Webmaster), Nicola Ogdoc (News Editor), and Jaena Danaram (Spirit and Education Chair) to create eye-catching flyers that include the date of our first meeting,

contact info, and qr code to our website. Alyssa Chang, our other beautiful president, collaborated with Reya Mehta (Treasurer), Anika Sachdeva (Secretary), and Toby Zheng (Secretary) to create a board that promotes our club Instagram. Finally, Sana Meher, our President, is working alongside our project chairs, Tamer Dajani, Julia Kremenetsky, and Gillian Bui to design the main poster board that will sit at our Key Club booth.

Our club board is working hard to attract as many new club members as we can. Through weeks of team effort and club rush preparation, we hope we can ignite an interest in Key Club in all students at West Ranch!
